# NEW REGULATIONS FOR COVID-19 PREVENTION

Prod. Office of Environmental Safety

2020/04/09

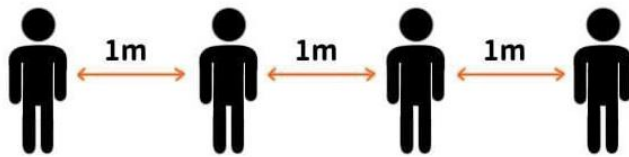

TMU60 1960-2020

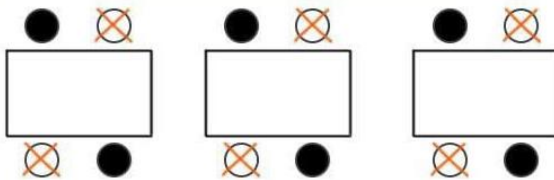

北醫六十 邁向榮耀

# Social distancing

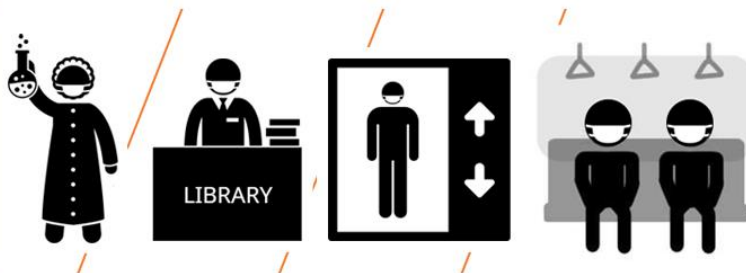

is a basic protective measure against COVID-19.

Keep **at least 1 meter** away from others outdoors.

Keep **at least 1.5 meters** away from others indoors.

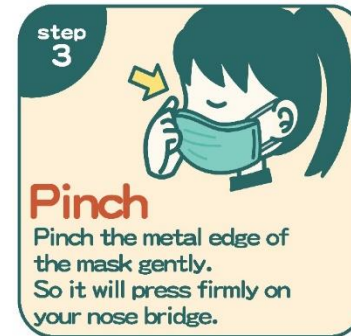

Wear a mask in the elevator, lab, library, enclosed space or poorly ventilated areas.

# Mask Wearing and Access Control

- **Wear a mask when entering the campus** (including drivers and passengers in cars, motorcycles or bikes).
- **Wear a mask on the TMU shuttle bus.**
- **Show your student/faculty/staff ID** when entering the campus.

## 4 Steps to Wearing the Mask Properly

TAIWAN CDC

# Individuals without TMU Affiliation

## ■ Individuals without TMU affiliation must submit an application to the Office of General Affairs:

<https://reurl.cc/vDWq2e>

1. Download application form and submit to the Office of General Affairs.
2. **Reapply Every Month** : As applications last for one month, each applicant must reapply every month

※ When entering the campus, please show your ID to security.

## ■ Applicable Individuals

- Experiment participants
- Part-time workers who are not TMU students
- Research assistants whose boss is not TMU faculty
- Others for business

# Delivery Regulations

## ■ Food and Other Deliveries

→Pick up your orders at this specific place outside of campus.

## ■ Large Deliveries (e.g. large lab equipment)

→Delivery drivers must wear a mask and show ID with advance permission before entering the campus.
